

Safety advice for travelling on coaches

Purpose

To raise awareness of potential hazards from moving around the coach while it is in motion.

Hazards and risks
Slips, trips and falls.
Cuts, bruises and broken limbs.
Burns/scolds from hot drinks and food.

Golden rule if standing or walking through the coach.
Always maintain three points of contact i.e. Feet spaced apart for balance and at least one hand holding onto available handles or seat backs, use your body as a brace against seats if needed.

Be safe

Coach travel is one of the safest methods of transport available, please help us to prevent injury and harm by following this guidance and not putting yourself at risk unnecessarily.

Remember moving vehicles can change direction and speed unexpectedly so always use the golden rule.

Food and drink

Coaches are equipped with hot drinks machines, caution should be taken to maintain the three points of contact when making drinks and returning to seats. Ideally drinks should only be made while the coach is stationary and distributed using a tray designed to carry hot drinks cups.

On vehicles equipped with cooking facilities they should only be used by experienced personnel preferably while the vehicle is stationary, distribution of hot food must be carried out maintaining three points of contact and no more than one item at a time.

When moving through a moving vehicle with hot drinks or food try to be aware of developing road conditions by keeping an eye on the road ahead. Always try to serve hot refreshments when risk is lowest i.e. motorways, dual carriageways and general open roads.

Dos and don'ts of coach travel

Do

Remain seated at all times whilst the coach is in motion and wait until the vehicle has come to a complete standstill before leaving your seat.

Wear your seatbelt at all times whilst the coach is in motion

Be aware that the vehicle may have to stop suddenly.

Maintain three points of contact.

Be aware of others moving about the vehicle close to you.

Listen for passenger announcements on safety and vehicle stopping points.

Use handrails or seats for stability when moving about within the vehicle.

Be prepared for sudden changes of direction.

Stow luggage safely in the overhead lockers/racks

Don't

Walk about in a moving coach unless it is absolutely unavoidable.

Stand up in aisles to chat or stretch legs.

Distract the driver.

Pull door/window handles unless in an emergency.

Push call/stop buttons without good reason as it distracts the driver.

The Kings Ferry Ltd – Terms and Conditions for Private Hire

19. Package Travel Regulations

If the hirer organises other elements of a package in addition to the provision of transport, the hirer may be defined as an 'organiser' or a 'retailer' for the purposes of the Package Travel, Package Holidays, and Package Tours Regulations 1992 and as such may be required to comply with the provisions of those Regulations. In this instance, the company cannot accept any liability that may be incurred for losses or damage that it would otherwise accept under the terms of those Regulations. The hirer accepts responsibility for ensuring whether they are so defined, and the company cannot accept liability for loss or damage incurred that should have been the responsibility of the hirer if the hirer was the legally defined organiser or retailer. Where the company acts as an organiser or retailer, it will issue separate conditions of trading relating to its liabilities and responsibilities under the Regulations.

20. Passengers' Property

All vehicles hired by the company are subject to restrictions on carrying luggage for statutory safety reasons. Any coach that is overloaded, whether with passengers or their possessions, is likely to be stopped by the police and not allowed to proceed until it is within the legal limits. To avoid the inconvenience and increased hire costs occasioned by this, the hirer must observe seating capacity limits and any restrictions on the type, size and weights of passengers' luggage, purchases etc advised by us and/or our driver. Large, bulky items may not be able to be carried, and the hirer should take all steps to notify the company in advance of such requirements. Whilst we will take all reasonable care with passengers' luggage and other items which passengers may bring on our coach, we do not accept responsibility for any loss or damage caused to these items whilst on the vehicle. Hirers must advise their passengers not to leave any valuables onboard the vehicle when it is left unattended.

Personal insurance of luggage and valuables is strongly recommended. All articles of lost property recovered from the vehicle will be held at the company's premises where the vehicle is based, and will be subject to the current Public Service Vehicle (Lost Property) Regulations. The company will provide details of this legislation on request.

21. Conduct of Passengers

No person or organisation should agree to hire a coach unless they are prepared to accept the obligations involved. As our contract is with you, not with your passengers, we have to insist that you accept responsibility for any damage they might cause to our coach. The driver is responsible for the safety of the vehicle at all times, and as such may remove any passenger whose behaviour prejudices safety or is in breach of the Public Service Vehicle (Conduct of Drivers, Inspectors, Conductors and Passengers) Regulations 1990. These regulations set out certain rights and responsibilities on all parties, and full details of these can be obtained from the company on request. The hirer is responsible for any damage caused to the vehicle by any passenger for the duration of the hire. Where the hire is to a sporting event, the hirer should be aware of the legal requirements relating to alcohol, contained in the Sporting Events (Control of Alcohol) Act 1995, and the conditions of entry to race courses as laid down by the Race Course Association Ltd. The company will provide details of these restrictions on request.

22. Complaints

In the event of complaint about the company's services, the hirer should endeavour to seek a solution at the time by seeking assistance from the driver or from the company. If this has not provided a remedy, complaints should be submitted in writing and within 14 days of the termination date of the hire. Acknowledgement of the complaint will be made within 14 days of receipt. All complaints that are received are thoroughly investigated and customers are kept informed at each stage of the investigation. Sometimes the investigations can take time when awaiting a response from Suppliers.

23. Personal Information

All personal details provided to us will remain strictly confidential and are kept on file for a maximum period of 6 years for business reasons. We will never pass your data to another company. We do not store debit/credit card details on file. You have the right to opt out of any communications via email or phone at any time. Should you not interact with us for a period of 3 years, you will be automatically unsubscribed from our mailing database unless previously opted-out.

24. Refreshments and Alcoholic Drinks

Other than on a vehicle fitted expressly for that purpose, food (except confectionery) and drink (including alcoholic beverages) may not be consumed on the vehicle without prior written consent from the company.

25. Surcharges

Once a confirmation has been issued to the hirer, providing there are 30 days prior to the departure date, the company reserves the right to pass on increases in the cost of fuel, in particular due to any rises due to the threat of or war. Also any taxes imposed by the Governments of the UK and of other countries to be visited during the journey, together with increases in road tolls and currency fluctuations. No surcharges will be levied within 30 days of departure. On notification of such surcharges, the hirer may cancel the booking subject to the scale of cancellation charges shown in paragraph 10. The liability of the company will be limited to the cost of the hire and any ancillary services supplied.

26. Serving Disabled Customers

We do have vehicles specifically designed to carry one passenger travelling in their wheel chair in the main coach cabin, however the vehicle is specifically designed to carry a reference wheelchair. You will need to ensure that your wheel chair complies with the dimension set out in the diagram above, to ensure correct and safe carriage. It is also essential that it is a model which can be securely restrained within the coach. In the event that your wheelchair exceeds the dimensions or we are unable to restrain the chair safely, you will be unable to travel in this way.
